

Dreame PM30 Air Purifier & Humidifier

Model: CVF15A

Manufacturer: DREAME

EAN: 6978515255007

Product Code: 405832

R20,286

The Dreame AirPursue PM30 air purifier and humidifier produces purified airflow and consistent humidification through dual-directional outlets. Its recently updated mist-free humidification technology minimizes water vapor dispersion, reducing the risk of bacterial growth and effectively removing impurities, bacteria, and viruses to create healthier indoor air. Equipped with intelligent sensors and millimeter-wave radar, the device automatically adjusts the airflow direction based on your location. The LCD display provides real-time air quality updates, and the smart app enables convenient remote control anytime and anywhere.
