

Roborock Qrevo C Pro Black

Model: QRRCP52-00

Manufacturer: ROBOROCK

EAN: 6936905903785

Product Code: 405896

R11,481

Meet the Roborock Qrevo Pro, a revolutionary cleaning solution that adeptly avoids obstacles. Reaching every edge and vanquishing every speck
with effortless navigation, you're guaranteed flawless floors, only made better with dynamic hot water re-washing and re-mopping. Take control with the app, and get closer to your perfect cleaning experience.

FlexiArm Design mop eliminates blind spots for an

effective clean. It helps achieve flawless corners and edges effortlessly as the robot extends its mop, ensuring a 98.8% edge coverage with a precision margin of
1.85mm.

No Dirt or Dust Left Behind

Harness the unstoppable 7000 Pa HyperForce suction power, combined with an all-rubber brush and dual spinning mops, to effortlessly remove debris, dirt, and stains from various floor types, leaving you with spotless floors.

For Carpets

Achieve deep cleaning without wetting the carpet thanks to the handy 10mm mop lifting.

For Carpets

Customize your cleaning preferences by choosing which carpets and rugs need to be cleaned, skipped, or ignored.

For Hardwood Floors

Roborock Qrevo Pro vacuums the floor along its direction so that the floor seams can be cleaned while minimizing scraping against them.

Wash Thoroughly,

Mop Hygienically

60°C hot water effectively removes stubborn stains and other dirt, saving time and water, while also disinfecting

Warm Air Drying

Dries the mops and dock base completely with 45°C of warm air, preventing the growth of mold and unpleasant odors

Auto Dust Emptying

Allows for more than 7 weeks without emptying

Auto Tank Refilling

Fills the robot water tank automatically when needed.
