High Performance to Power Through Your Work

Built to help you power through your workday, the Lexar® NQ790 PCIe 4.0 SSD delivers the high performance you need. Read/write speeds up to 7000/6000MB/s ensure that it can keep up with your work pace while high-quality NAND delivers the reliability you expect from Lexar and a 5-year warranty offers further peace of mind.

Built to Perform. Enjoy an improved user experience thanks to the Lexar® NQ790 PCIe 4.0 SSD's PCIe 4.0 interface, NVMe protocol, and HMB and SLC cache technologies.

Speed Through Your Work. With sequential read/write speeds up to 7000/6000MB/s the drive is ready to conquer your workload and help you meet your deadlines.

High-Quality 3D NAND in High Capacities. Cutting-edge NAND flash delivers the reliability and endurance you depend on, in your choice of capacities.

Comes with Peace of Mind. Your drive is backed by 5-year warranty so you can purchase and deploy with confidence.

Intelligent Power Control. With good power management, you can intelligently control power consumption according to the load.

Rigorously Tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability

- With good power management, you can intelligently control power consumption according to the load
- High-quality 3D NAND boasts reliability and endurance
- Better performance for an improved user experience thanks to PCIe 4.0 interface, NVMe protocol, and HMB and SLC cache technologies
- Compact And Slim

Summary: Lexar NQ790. SSD capacity: 4 TB, SSD form factor: M.2, Read speed: 7000 MB/s, Write
