

VACUUM CLEANER ROBOT/RCF 3 1.269-660.0 KARCHER

Model: 1.269-660.0

Manufacturer: KARCHER

EAN: 4054278999036

Product Code: 406114

R5,581

Clean floors at the touch of a button: from now on, the smart RCF 3 robotic mop takes care of the otherwise tedious and time-consuming wet mopping of hard floors. Thanks to the proven FC roller technology, the RCF 3 not only removes stubborn dirt or dried liquids, but also loose dust and dry crumbs. In doing so, it automatically detects carpets and skilfully avoids them. The RCF 3 has two tanks that allow it to constantly supply fresh water to the roller and to collect the dirty water separately. Light, dry dirt is easily picked up and also transported into the dirty water tank. Different cleaning modes can be set with the practical app control. The robot can thus be adapted very flexibly to a wide range of needs and requirements. For cleaning, the robot is conveniently started via app or by pressing a button on the device. If the RCF 3 needs help, in many situations it will tell you via voice output or through the app.

- Self-cleaning function of the roller
- Convenient app control with WLAN
- Precise mapping of existing floors and versatile customisation options in the app
- Voice output
- Fall sensors
- Data protection and updates

Summary: Kärcher RCF 3. Product colour: Black, White, Shape: Round. Dust capacity (total): 1.15 L, Base station functions: Charging, Water tank capacity: 0.43 L. Battery technology: Lithium-Ion (Li-Ion), Battery capacity: 5200 mAh, Runtime: 120 min. Diameter: 34 cm, Height: 120 mm, Width: 340 mm. Package weight: 7.2 kg, Package type: Box | Vendor Homepage:
