R8,666

The Neomounts floor stand, model PLASMA-M1900E is a mobile floor stand for flat screens up to 70" (178 cm). This mobile stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. This cart stretches your investment by serving a variety of projection needs by sharing a large display over multiple rooms. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location.

Neomounts versatile tilt (20°) and turn (90°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. The mount is manually height adjustable from 130 to 162 centimetres. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the stand nice and tidy.

Neomounts' floor stand, PLASMA-M1900E holds your TV, AV equipment and even hides your cables. The trolley features four solid castor wheels, of which the two front wheels are equipped with a

brake. The casters allow the stand to move it to where you need it. Easily roll this cart through
