

HIGH PRESSURE WASHER K 5/COMFORT PR 1.324-800.0 KARCHER

Model: 1.324-800.0

Manufacturer: KARCHER

EAN: 4066529156242

Product Code: 406207

R7,318 ~~R7,975~~

The K 5 Comfort Premium pressure washer is ideal for removing moderate soiling from around the house and car. Fitted with a robust, water-cooled motor, the device delivers a consistently high cleaning performance. The integrated hose reel with the flexible PremiumFlex hose enables convenient handling and ensures maximum freedom of movement. The G 180 Q COMFORT!Hold trigger gun noticeably reduces the holding pressure and thus ensures a fatigue-free cleaning experience. The practical Quick Connect system also allows the high-pressure hose to be connected and disconnected quickly. The versatile 4-in-1 multi jet spray lance effortlessly switches between 4 spray patterns by turning the spray lance head, adapting to different cleaning tasks. What's more, the 2-in-1 detergent concept offers added convenience and perfect detergent application to suit the task in hand. Cables and accessories can be stored easily and compactly on the device. For optimum support, the Kärcher Home & Garden app offers an integrated application consultant as well as

useful tips and tricks.

4-in-1 Multi Jet

Many cleaning options thanks to 4 different nozzles in one spray lance.

No need to change the lance for increased convenience. Simply turn the spray lance head to change the spray pattern.

2Way!Wash™ detergent concept

The detergent can be dispensed via the device and the Multi Jet nozzle or, for more foam, via the foam jet including detergent dosing.

Kärcher detergents (available as an option) not only protect and care for the surface being cleaned but produce more efficient and longer-lasting results.

PremiumFlex high-pressure hose

The flexible hose ensures the utmost flexibility, and therefore maximum freedom of movement.

Wind and unwind the high-pressure hose easily without any knots forming.

Hose reel for comfortable handling

The high-pressure hose is optimally protected and stored without taking up much space.

Convenient working – hose always within reach due to easy rolling in and out.

Low centre for a safe position even on angled surfaces.

Outstanding performance

The water-cooled motor impresses with its particularly long service life and high power.

Ergonomic transport

The telescopic handle with latching mechanism enables easy, comfortable and ergonomic transport.

The wheels with soft component structure allow the device to be moved easily and effortlessly.

The carrying handle allows the device to be lifted easily and ergonomically.

Home & Garden app

The Kärcher Home & Garden app makes you a cleaning expert.

Make use of our extensive Kärcher knowledge for the perfect cleaning results.
