Thanks to integrated Bluetooth, the K 5 Premium Smart Control Flex pressure washer can be connected to the Kärcher Home & Garden app. This means that the user is optimally supported via the smartphone in many cleaning situations and for many cleaning tasks – and can achieve even more efficient cleaning results. The app provides many useful functions such as the application consultant with helpful tips and tricks, assembly instructions, maintenance and care instructions, as well as the Kärcher Service portal. The device also has a boost mode for extra power, a G 180 Q Smart Control trigger gun with LCD display and the 3-in-1 Multi Jet spray lance. The pressure is either set on the trigger gun itself or transferred from the app to the trigger gun with the help of the application consultant. The LCD display can be used to check which pressure level is set. Other equipment details include the Plug 'n' Clean detergent system, the PremiumFlex high-pressure hose, the aluminium telescopic handle, the Quick Connect system for clicking the high-pressure hose in
