

# DEHUMIDIFIER REGULUS/COP002 STYLIES

Model: COP002410

Manufacturer: STYLIES

EAN: 7640115593672

Product Code: 406579

## R4,600

Effectively prevents the formation of mold and bacteria in damp rooms

Many rooms can only be ventilated to a limited extent or not at all. The consequences can be the formation of mold and bacteria.
With the high dehumidification performance of max. 12 liters/day the dehumidifier Regulus ensures drier rooms. It works extremely
quietly at just 45 dB. The humidity to be reached is selectable from 30–80 %, but Regulus can also work in continuous operation, a water drain hose is included. The automatic defrost function is another very useful feature. Special tip: In the laundry room, the dehumidifier ensures a gentle and faster drying of the laundry.
Summary: Stylies REGULUS. Width: 460 mm, Height: 290 mm, Weight: 10 kg.
