IP68/IP69K/MIL-STD-810H Safeguards

That are Second to None

Rugged one-piece molding build with IP68 and IP69K ratings, and MIL-STD-810H certified, Armor X32 holds up to water, dust, sand, and accidental drops. Even in extreme cold and hot weather, it performs well without shutting down.

Corning® Gorilla® Glass 5

Raise the Bar for Protection

Not even the slightest scratch after months of being in your pocket with keys and coins, even after being scratched with a screwdriver. Armor X32 with Glass 5 survives accidental drops without shattering.

Dedicated Glare Flashlight

Light the Way Up

Discover the built-in rear dedicated glare flashlight. This powerful beam lights up your path, making it the perfect tool for outdoor enthusiasts and professionals alike. With its rugged design, 5500mAh large battery, Armor X32 is your trusted companion in any situation.

MediaTek Helio G91

Powerful Octa-Core Processor

The low consumption of Helio G91 extends the battery life of Armor X32. Octa-core design leads to less lagging during intensive tasks and gaming, and being responsive and fluid with Mali-G52 MC2 GPU high performance experience.

Up to 12 GB + 128 GB

Quick Game and APP Loading

Equipped with a maximum of 12GB RAM and 128GB storage, Armor X32 offers plenty of space for your media and apps. It also supports micro-SD cards up to 2TB for even more storage.

48MP Main Camera

Frame A Vivid Life

Seize every moment with breathtaking clarity using the ultra-high-resolution 48MP main camera. Coupled with advanced autofocus technology, it enhances image quality, making every snapshot

come alive with vivid detail.

20MP Night Vision Camera

Darkness No Barrier

See through the night with our 20MP infrared camera. The NightElf 2.0 algorithm sharpens images, reducing interference for clear, detailed vision in the dark.

2MP Macro Lens

Unlock the microscopic world with our 2MP Macro Lens! Experience the joy of capturing the fascinating details of bugs, butterflies, and other tiny creatures as they pose for you. Discover the humor and wonder in the small moments.

16MP Selfie Camera

Armor X32 equipped with 16MP front shooter, incorporates image enhanced features, making your social media posts or snapshots of family gatherings sharp and stunning.

5.65-inch Lifelike Display

Vibrant. Colorful. Immediate.

Palm-friendly 5.65" screen, very comfortable for grip. With 90Hz refresh rate, you swiftly scroll through social media feeds, navigate through your favorite apps, or engaging with your device in any way, incredibly smooth and natural. The screen peak brightness of 600nits holds up in direct strong sunlight.

5500mAh Large Battery

Could Last for All Day

A powerful 5500mAh cell in Armor X32, advanced cooling system help to optimize battery life, caters to the demanding mobile games, allowing for extended gaming sessions without frequent charging. In a peace of mind for browsing, video, and other things.

Android 14 OS

From lock screen customization, Health Connect, Ultra HDR and more, there's a lot to love about Android 14. Enjoy a more smooth, personalized, secure, and accessible user experience.
