

WINDOW CLEANING ROBOT RCW 2/1.269-210.0 KARCHER

Model: 1.269-210.0

Manufacturer: KARCHER

EAN: 4066529208149

Product Code: 406746

R3,898

The RCW 2 window cleaning robot replaces manual window cleaning and automatically ensures a clear, streak-free view. Thanks to powerful vacuum technology, the RCW 2 guarantees a secure hold on all smooth surfaces, ideal for large and hard-to-reach windows and mirrors. Systematic navigation and two sensors for frame and object detection ensure fast and reliable cleaning. The two rotating discs with microfibre wiping cloths simulate a manual wiping motion, ensuring sparkling clean results. Two ultrasonic spray nozzles produce a fine spray mist of detergent, which is sprayed precisely onto the window pane without dripping. Four automatic cleaning modes and one manual mode can be selected depending on the cleaning task and conveniently controlled via remote control. In addition, LED signals and voice output provide status messages about the device at any time. The window cleaning agent RM 503 provided reliably removes dirt, dries without leaving streaks, and allows rain to roll off more quickly for long-lasting cleanliness. And even in the event of

a power failure, the RCW 2 remains attached to the glass thanks to its emergency battery and safety cable.

Systematic navigation

Systematically cleans the entire area without forgetting anything. The direction of travel changes automatically when the mower comes into contact with obstacles. Automatically returns to the start position.

Automatic detergent application

Two ultrasonic spray nozzles ensure drip-free moistening of the window pane. The window cleaning agent supplied ensures a streak-free shine and allows rain to run off more quickly – delaying resoiling.

High safety standard

Safe hold thanks to reliable vacuum technology and additional safety system. Additional protection thanks to an integrated emergency battery that keeps the window cleaning robot securely attached to the window pane even in the event of a power failure.

- Smart remote control for easy operation and monitoring
- Intuitive user interface
- Two sensors for frame and object detection
- Wiping cloths made from high-quality microfibres

Summary: Kärcher RCW 2. Product colour: White, Noise level: 76 dB, Glass cleaner volume: 70 ml.

Power source: Battery, AC adapter input voltage: 100/240 V, AC adapter frequency: 50/60 Hz. Width: 160 mm, Depth: 292 mm, Height: 71 mm. Package weight: 2.1 kg | Vendor Homepage:
