

# KEYBOARD WRL GEM 02 VIA/BLACK/SIL. 6978414650828 AKKO

Model: 6978414650828

Manufacturer: AKKO

EAN: 6978414650828

Product Code: 406805

## R3,769

### Gem 02 VIA Custom Mechanical Keyboard

The Gem 02 VIA Custom Mechanical Keyboard is crafted for mechanical keyboard enthusiasts who value both performance and customization. With its 1800 compact layout, it delivers full-size functionality in a streamlined, space-saving design. The rapid, tool-free disassembly system makes maintenance and modifications effortless, while VIA support offers endless key mapping possibilities.

#### Ball-catch Design

#### Rapid Disassemble without Screws or Tools

Unlike typical screw-on mechanical keyboards, the Gem Series features a ball catch to secure the case and adjustable load force that can be modified by tightening screws during installation for enhanced safety and stability.

### **Built-in 8000mAh Battery**

Equipped with a powerful 8000mAh battery, this keyboard ensures extended periods of uninterrupted typing, gaming, or productivity, minimizing the need for frequent recharging.

### **Multi-mode**

Allows easy switching between wired, Bluetooth, and 2.4GHz wireless modes for a smooth experience across all devices. Compatible with Windows and Mac, this versatile keyboard delivers exceptional performance and convenience. Enhance productivity with this adaptable keyboard.

### **Programmable RGB Light**

All keys can be re-mapped by VIA. The keyboard has built-in and side-LED RGB backlit with customizable light animation effects.

### **Translucent acrylic corner with synchronized RGB patterns**

Translucent acrylic corners glow with synchronized RGB effects, adding a stylish and dynamic visual accent.

### **Programmable Light Bar**

An RGB bar lets you customize colors, effects, and brightness to match your mood or setup.

### **RGB Backlit**

Fully customizable backlighting brings each key to life, from subtle ambient tones to vibrant rainbow waves.

### **Cherry Profile Double-shot PBT Keycaps**

The Cherry profile keycaps feature a low-profile sculpted design, delivering a comfortable typing angle while ensuring precise keypress consistency.

The PBT keycaps boast exceptional oil resistance, enhancing the overall typing experience while ensuring the longevity of the legends' visibility.

### **Plate-mounted Stabilizers**

The Gem Series now features pre-installed plate-mounted stabilizers, designed to streamline the

assembly process and provide convenience for keyboard beginners.

Additionally, it includes extra PCB Mount/Screw-in stabilizers to accommodate the varied preferences of users.

### **System Switch**

Top: Mac Wireless Mode (built-in power supply on)

Middle: Default Windows Wired Mode (built-in power supply off)

Bottom: Windows Wireless Mode (built-in power supply on)

### **PORON Plate Foam**

Equipped with PORON plate foam, effectively reducing the noise generated by key switches, ensuring a purer and more comfortable tactile sound experience for the keyboard.

### **Sleek Back Design**

A clean, minimalist back with a centered Akko nameplate and anti-slip feet for stability.

### **Gasket Mount**

Comes with a comprehensive upgrade to the noise reduction system, offering greater flexibility for experimenting with a variety of sound profiles.
