

DETECTOR WRL MOTIONPROTECT WHITE 38198 AJAX

Model: 38198

Manufacturer: AJAX

EAN: 4823114015274

Product Code: 406862

R3,558

Wireless motion detector with microwave sensor that notifies the owner of first signs of home or office intrusion. Designed for rooms with air conditioners, fireplaces and where there is a likelihood of light flickering, glare and reflections.

Principle of operation

Detects human presence by temperature difference with background thermal radiation. The microwave sensor prevents false alarms caused by complex interference.

Features

Designed for operation in rooms with fireplaces and air conditioners. Detects and ignores draughts,

movement of curtains and blinds, and light flickering, glare and reflections.

Installation and set up

Ready to operate straight out the box. The battery is already installed inside, therefore there is no need to disassemble the detector. It can be mounted in just a few minutes using the SmartBracket mount.

- Authentication to prevent forgery
- Jamming detection and communication channels encryption
- Tampering alarm
- The additional microwave sensor filters possible interference from the air conditioner and curtain movement
- The device operates up to 5 years without battery replacement
- Ignores pets weighing up to 20 kg and with a height up to 50 cm

Summary: Ajax MotionProtect Plus. Mounting type: Wall, Placement: Indoor, Product colour: White.

Sensor type: Passive infrared (PIR) sensor/Microwave sensor, Connectivity technology: Wireless,

Detection distance: 12 m. Power source type: Battery, Battery life: 5 year(s), Battery type: CR123A.

Width: 65 mm, Depth: 50 mm, Height: 110 mm | Vendor Homepage:
