Aqara Smart Lock U200 Lite Kit

Upgrade your door with the Aqara Smart Lock U200 Lite Kit – a keyless, drill-free smart lock with Matter over Thread support, app and NFC unlocking, auto-lock, and easy installation.

- Matter over Thread Support: Enjoy a truly seamless smart home experience with the Aqara U200 Lite, which works out of the box with leading platforms like Apple Home, Google Home, Amazon Alexa, SmartThings, Home Assistant, Homey, and more*. Built on the low-power Thread protocol, it significantly reduces battery consumption, so you won’t need to change batteries often. Thanks to Thread’s self-healing mesh network, the lock communicates directly with nearby devices—ensuring fast, stable, and reliable performance.
- Flexible Unlock Methods: The Aqara U200 Lite supports Bluetooth proximity unlock via the Aqara app, decreasing the need for a mechanical key. You can touch your phone to the complimentary NFC Sticker Card to quickly launch the Aqara app or just open the app to access

the unlock button on your phone. Additionally, the U200 Lite supports remote unlocking through the app*, which is convenient when you’re away from home. It’s also compatible with Siri and Alexa voice commands, allowing for seamless smart unlocking experiences*.

- Rechargeable Li-ion Battery: The U200 Lite is equipped with a 2000mAh rechargeable lithium battery that can last up to 6 months on a single charge, requiring minimal maintenance. It features a low battery alert function, giving users peace of mind during use. The device comes with a USB-C charging port for faster charging speeds.
- Auto Lock with Ease: Thanks to the built-in gyroscope, the U200 Lite alerts you with an audible reminder if you forget to close the door, and automatically locks the door once it’s closed.**
- Quiet Mode for Nighttime Use: Seamless smart home integration meets nighttime convenience with customisable speed settings. Choose between Quiet, Standard, and Fast modes to suit any time of day, ensuring peaceful operation when you need it most.***
- Easy Installation & Great Compatibility: The lock easily fits over your existing door lock, requiring no complex installation or modifications. Installation is simple as long as your current cylinder has an emergency function***, allowing the lock to be mounted directly over the existing cylinder. The U200 Lite is compatible with Euro profile and select Scandi cylinders.
- Expanded Functionality: The Aqara U200 Lite features a pull spring function that automatically retracts the door latch upon unlocking, allowing you to open the door without touching it. This is ideal for situations where your hands are full or when you want improved hygiene. It’s especially useful for inward-opening doors or those without traditional handles, simplifying entry. And simply turn the knob approximately 30 to 60 degrees, and the lock will automatically lock or unlock.****
- Complimentary Eco-Friendly Replaceable Cover: Stylish German eco-friendly replaceable cover (black cover with black lock/gray with white lock) that effortlessly change to match your sophisticated home décor. Natural, fashionable, and perfectly customizable for your refined living space.
