Mara Monitor & Laptop Arm

Ergonomic dual monitor & laptop arm for working seated or standing

Flexibility unleashed

Work flexibly like never before with the Mara Monitor Arm. With the ability to work both seated and standing, this ergonomic dual monitor and laptop arm gives you all the benefits of a height-adjustable desk with whatever desk you currently have.

Double duty

Why choose between a laptop and a monitor when you can have both? Suitable for either two monitors up to 32" or a monitor and a laptop up to 17", choose the setup that fits best for you and enjoy all that increased productivity.

Opto ergo

Truly one size fits all, the Mara is fully adjustable to your wishes. Customise the height, depth,
