STEAM CLEANER SC 2 EasyFix

The easy and intuitive to use SC 2 EasyFix entry-level steam cleaner provides two-step steam regulation for adapting the steam intensity to the surface and level of dirt. Practical accessory storage on the device as well as a parking position for the floor nozzle are useful details for even more convenient steam cleaning. The EasyFix floor nozzle with flexible joint guarantees excellent ergonomics and, thanks to the lamella technology, ensures perfect cleaning results. Thanks to the convenient hook-and-loop system, the floor cleaning cloth can be quickly and easily attached to the floor nozzle and removed again without having to come into contact with dirt. The SC 2 EasyFix cleans entirely without chemicals and can be used universally. Thorough cleaning with the Kärcher steam cleaner removes up to 99.999% of viruses and 99.99% of all common household bacteria from typical household hard surfaces. Using the various accessories, tiles, hobs, exhaust hoods and

even the smallest gaps are hygienically cleaned. Even stubborn dirt is reliably removed.

Accessory storage and parking position

Convenient accessory storage and easy floor nozzle parking during working interruptions.

Floor cleaning set EasyFix with flexible joint on the floor nozzle and convenient hook-and-loop fixing for the floor cleaning cloth

Optimal cleaning results on all types of hard floors around the home thanks to efficient lamella technology. Contactless cloth changing without contact with dirt, and convenient attachment of the floor cleaning cloth thanks to the hook-and-loop system. Ergonomic, effective cleaning with full floor contact, regardless of the user's height, thanks to the flexible nozzle joint.

Child safety lock on the steam gun

A locking system provides reliable protection against improper use by playing children.

- Multifunctional accessories
- Floor cleaning cloth and cover for the hand nozzle
- Two-stage steam flow control
