

CPU COOLER S_MULTI/G89.GA2[illegible]W.0 LIAN LI

Model: G89.GA2P36W.01

Manufacturer: LIAN LI

EAN: 4718466014368

Product Code: 407105

R2,906

BOOST PERFORMANCE TO THE NEXT LEVEL

Galahad II Trinity Performance pump is larger than the regular one so that it accommodates upgraded components to efficiently cool the CPU.

CHOOSE PREFERABLE LOOK

The Galahad II Trinity series’ pump cap has three interchangeable designs, each with a unique look and two rings of colors that can be individually controlled with different lighting effects.

DUO- INFINITY

An aluminum housing cap with duo infinity mirror rings and a Lian Li logo at the center. (90° Rotatable)

DAZZLE

An entirely shining pump cap that brings the most vivid lighting to your build.

SINK-HOLE

The combination of the diffuser and infinity mirror creates the sinkhole effect.

HIGH DENSITY ALUMINUM RADIATOR

The 32mm thick radiators feature a double-wave radiator fin design of 19 FPI which provides more surface area to dissipate heat with a high performance fan.

DAISY-CHAINABLE LCP FAN

The double-stack radiator fins provide better heat dissipation due to the enlarged surface area. However, the increased density also requires a more performance-oriented fan. These high-performance LCP fans can be daisy-chained by a single short cable which can be hidden inside the frame of the fan. Just like the UNIFAN P28, this 120mm fan is 28mm in thickness and features a copper shield bearing for high RPM stability and quiet operations.

MOUNT IN ANY WAY

This innovative 45° tubing connector gives the tubes the freedom of 360° rotation, allowing the Galahad ll Trinity series to be installed in many different ways.

INSTALATION MADE EASY, FOR YOU

The Galahad II Trinity series introduces redesigned mounting backplates to provide a hassle-free installation to users while maintaining compatibility with most mainstream CPU sockets. The backplates have a one-piece design with fixed struts to make installation easier.
It also comes with a thermal paste control film and spreader to help ensure the right amount of thermal paste is applied for effective heat dissipation.

SEAMLESS SOFTWARE

Control and preview with precision the lighting effect and real-time motor speed of the Galahad II Trinity Pump and fans with the L-Connect 3.

SIMPLE CONNECTION

The controller is built into the pump and the fan can be connected to the pump to control via L-Connect 3.

- 3 interchangeable pump looks that can be customized with L-Connect 3
- Factory installed with daisy-chainable radiator LCP fans
- Pump motor speed goes up to 4200RPM
- Includes a newly designed pathway, copper plate and larger impeller for better waterflow for liquid coolant
- 45-degree tubing connector with tubes’ inner diameter increased to 7mm

Summary: Lian Li GA II TRINITY PERFORMANCE. Type: All-in-one liquid cooler, Fan diameter: 12 cm, Number of speeds: 2, Minimum air pressure: 4.08 mmH2O, Maximum air pressure: 6.99 mmH2O, Bearing type: Fluid Dynamic Bearing (FDB). Product colour: Black | Vendor Homepage: https://lian-li.com/product/galahad-ii-trinity-performance/ | Fan diameter: 120 | Type: All-in-one liquid cooler | Suitable location: Computer case | Number of speeds: 2 | Minimum airflow (imperial): 81.54 | Maximum airflow: 108.29 | Minimum air pressure: 4.08 | Maximum air pressure: 6.99 | Bearing type: Fluid Dynamic Bearing (FDB) | Fan noise level (min): 32.1 | Fan noise level (max): 39.9 | Pump noise level: 22.03 | Quantity per pack: 1 | Fan speed (max): 3000 | Fan speed (min): 2300 | Pump motor speed: 4200 | Product colour: Black | Radiator material: Aluminum | Number of fans: 3 | Number of fins: 2 | Radiator width: 396 | Radiator depth: 130 | Radiator height: 32 | Tube length: 385 | Pump width: 74 | Pump depth: 74 | Pump height: 79 | Fan dimensions (W x D x H): 120 x 120 x 28 | Cables included: 4-pin,SATA | Mounting kit: Yes | Screws included: Yes | RGB controller included: Yes | CPU bracket(s): Yes | Unit Calculated Weight: 3.55 | Product Net Weight: 2 | Unit Calculated Volume: 0.01805 | Units per Shipping Box: 4 | Unit Width: 15 | Units per Pallet: 0 | Shipping Box Height: 47.5 | Unit Depth: 45 | Unit Height: 22.5 | Name: CPU COOLER S_MULTI/G89.GA2P36W.01 LIAN LI | Model: GA2P36W WHITE | Model name: GA II Trinity Performance 360
