

DETECTOR WRL MOTIONPROTECT 38193 AJAX

Model: 38193

Manufacturer: AJAX

EAN: 4823114015328

Product Code: 407181

R2,730

MotionProtect

Wireless motion detector that notifies the owner of the first signs of home or office intrusion. The detector is fastened to the wall in front of the doors and other places likely of intruder entry.

- Operates up to 7 years without battery replacement
- Ignores cats and dogs with weight of up to 20 kg and height up to 50 cm
- Accurately detects motion in heat conditions, even at a temperature of +40°C

Principle of operation

The device detects human presence by IR level using a passive IR sensor. The data received is digitally processed in order to prevent false alarms.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Features

The device automatically increases or decreases the sensor sensitivity in order to accurately detect motion during hot and cold weather.

Installation and set up

Ready to operate straight out the box: the battery is already installed, therefore there is no need to disassemble the detector. With one click, it can be connected to the hub in the mobile application. It can be mounted on the SmartBracket in just a few minutes.

- Authentication to prevent forgery
- Jamming detection and communication channels encryption
- Tampering alarm

Summary: Ajax MotionProtect. Mounting bracket(s) included | Vendor Homepage:

<https://ajax.systems/products/motionprotect/> | Connectivity technology: Wireless | Detection

distance: 12 | Interface: RF | Pet immunity (max): 20 | Sensor type: Passive infrared (PIR) sensor |

Tamper protection: Yes | Transmission distance: 1700 | Installation height (min): 2.4 | International

Protection (IP) code: IP50 | LED indicators: Yes | Mounting type: Wall | Placement: Indoor | Product

colour: White | Security algorithms: AES | Battery life: 5 | Battery type: CR123A | Battery voltage: 3 |

Number of batteries supported: 1 | Power source type: Battery | Operating relative humidity (H-H): 0

- 75 | Operating temperature (T-T): -10 - 40 | Depth: 50 | Height: 110 | Weight: 86 | Width: 65 |

Batteries included: Yes | Manual: Yes | Mounting bracket(s) included: Yes | Model name:

MotionProtect | Units per Shipping Box: 90 | Unit Calculated Volume: 0.0007215 | Unit Calculated

Weight: 0.143
