components stay cool under pressure, and it boasts a maximum speed of 3100RPM for rapid heat dissipation and optimal performance. The exterior resembles a gemstone, adding a touch of elegance and sophistication. Elevate your cooling game today with our innovative design, combining cutting-edge performance with sleek, modern aesthetics.

Mini Titan: Slim and Lightweight, Packs Powerful Cooling

The slim 27mm radiator with a single-row 20FPI (fins per inch) fin design offers efficient and powerful cooling.

Silent Elegance: Unveiling Luxury in Cooling with Metal Pro 12

Meet the Metal Pro 12 ARGB Fan: Powerful. Quiet. Effortless. Engineered with cutting-edge enhanced fan blades, it delivers robust airflow pressure while operating at a remarkable 2200 RPM. Say goodbye to noisy distractions and hello to peak performance with our HyperFlow.

Unrivaled Convenience: Smart Connection Options

Pre-connected with a 7-pin short cable for easy management, it offers both 4-pin and 5V3pin connectors for seamless integration. Upgrade your cooling effortlessly with the Metal Pro 12 ARGB 28mm Fan, where performance meets tranquility.

Comprehensive Compatibility: Bid farewell to Installation Worries

- Compatible with a wide range of Intel® and AMD motherboard platforms for flexible installation.
- Includes two tube holders to help organize tubes.
- Comes with a thermal paste and thermal paste stencil for easy reinstallation.

Instant Enjoyment Begins: Start Using Right Away

Say goodbye to time-consuming setups! Experience lightning-fast setup times with pre-installed fans and pre-applied thermal paste, allowing you to jump into your PC adventure without delay!

6 Years World-Class Warranty

At Montech, we stand firmly behind the quality of our products. That’s why we offer a 6-year warranty period that exceeds industry standards, giving you confidence with every purchase.
