

KEYBOARD WRL COMPACT BREAK/BLACK RGOSBUKWLBL R-GO TOOLS

Model: RGOSBUKWLBL

Manufacturer: R-GO TOOLS

EAN: 8719274493044

Product Code: 407367

R2,368 ~~R2,628~~

The R-Go Split Break keyboard is an ergonomic split keyboard with integrated break software. This keyboard encourages you to take regular breaks. This keeps your body's blood flowing, prevents strain and keeps you fit during your working day. The keyboard consists of two separate parts, which you can place in any arrangement you like. This splitting prevents a kink in the wrists while typing. Typing with straight wrists reduces muscle tension and prevents pinching of tendons and blood vessels. The built-in magnet allows you to turn the two separate parts of the keyboard into a compact keyboard with one move. The compact size ensures that the mouse is always within reach. The light keystroke means minimal muscle tension is present while typing. The keyboard is flat, keeping your hands and wrists flat and relaxed while typing. LED colour signals in the keyboard indicate how healthy you are working and when it is time for a break. As you type, the light changes colour, like a traffic light. Green means 'good job', orange that it is time for a break, red that you

have been working too long. Through these subtle colour signals, you receive feedback on your pause behaviour in a simple and positive way. This product works with the R-Go Break Software that won the Benelux Office Product Award 2021.

- Ergonomisch gesplitst typen: Dit gesplitste toetsenbord bestaat uit 2 losse delen. Zo kun je altijd typen met rechte polsen en afknelling van pezen en bloedvaten voorkomen. De R-Go Split is met een magneet te veranderen in een compact toetsenbord
- Met pauzesoftware: Voorkom klachten door regelmatig te pauzeren. Dit toetsenbord heeft gepatenteerde pauzesoftware en geeft met LED kleuren aan wanneer het tijd is om te pauzeren. De Break software heeft in 2021 de Benelux Office Award gewonnen
- Dun toetsenbord & Lichte toetsaanslag: Het toetsenbord is dun, zodat bloedvaten en pezen niet worden afgekneld. Het speciale schaarmechanisme in de toetsen zorgt voor een lichte toetsaanslag voor meer typecomfort. Je kunt de Split makkelijk meenemen
- Compatibel: Sluit dit multi-device toetsenbord eenvoudig aan via Bluetooth 5.0 verbinding. Switch eenvoudig tussen 3 apparaten. Oplaadbaar met USB C (met USB A converter) en werkt met PC/desktop/laptop en Windows/Mac
- Gemaakt met respect voor het milieu: De toetsenborden van R-Go Tools zijn gemaakt van gerecycled plastic en aluminium en worden geleverd in plasticvrije verpakking
