DRONE ACC FLIGHT BATTERY/FLIP INT CP.FP.00000182 DJI

Model: CP.FP.00000182

Manufacturer: DJI

EAN: 6941565996114

Product Code: 407510

R2,108

DJI Flip Intelligent Flight Battery

An essential accessory for the DJI Flip drone, the lithium-ion DJI Intelligent Flight Battery for Flip has a 3110mAh capacity for up to 31 minutes of flight time. Within your Flip drone, the battery takes approximately 70 minutes to fully recharge, but only around 45 minutes when paired with the optional 48W DJI Battery Charging Hub.
