

SENSOR WRL DOORPROTECT/W 38099 AJAX

Model: 38099

Manufacturer: AJAX

EAN: 4823114014932

Product Code: 407655

R1,915

DoorProtect

Wireless opening detector that notifies of first signs of room intrusion by means of a broken door or window. It can be mounted on all types of doors including a metal base.

- Operates up to 7 years without battery replacement
- External contact is available for connecting third-party detectors
- Includes magnets of various sizes for installation on narrow frames and door frames

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Principle of operation

The device detects the door or window being opened by means of British-made hi-end reed switches on which the magnetic field acts. It can operate in the transmitter mode, sending a signal from the wired sensor to the hub.

Features

The device consists of two modules — detector and magnet. The set includes two magnets: the big magnet is installed at a distance of up to 2 cm, and the small magnet up to 1 cm.

Installation and set up

Ready to operate straight out the box: the battery is already installed, therefore there is no need to disassemble the detector. With one click, it can be connected to the hub in the mobile application. It can be mounted on the SmartBracket in just a few minutes.

- Authentication to prevent forgery
- Jamming detection and communication channels encryption
- Tampering alarm

Summary: Ajax DoorProtect. Connectivity technology: Wireless, Interface: RF Wireless, Product colour: White. Battery type: CR123A, Battery life: 84 month(s), Battery voltage: 3 V. Width: 20 mm, Depth: 20 mm, Height: 90 mm. Number of products included: 1 pc(s) | Vendor Homepage: <https://ajax.systems/products/doorprotect/> | Connectivity technology: Wireless | Interface: RF Wireless | Suitable for: Door/Window | Security algorithms: AES | Product colour: White | Maximum outdoor range: 1200 | Suitable for indoor use: Yes | Tamper protection: Yes | Operating relative humidity (H-H): 0 - 75 | Operating temperature (T-T): -10 - 40 | Certification: Grade 2, CE | Battery type: CR123A | Number of batteries supported: 1 | Battery life: 84 | Battery voltage: 3 | Width: 20 | Depth: 20 | Height: 90 | Weight: 29 | Number of products included: 1 | Battery included: Yes | Manual: Yes | Unit Calculated Weight: 0.09 | Product Net Weight: 0.02 | Unit Calculated Volume: 0.0002754 | Units per Shipping Box: 120 | Unit Width: 3.5 | Units per Pallet: 0 | Shipping Box Height: 26 | Unit Depth: 4.5 | Unit Height: 9 | Name: SENSOR WRL DOORPROTECT/WHITE 38099 AJAX | Model name: DoorProtect
