Premium LED-illuminated gaming laptop cooling stand with 5 fans

Stay Cool

Want to stay cool during the most heated gaming sessions? Or switch from play to work without taking any breaks? The Trust GXT 1125 Quno Laptop Cooling Stand will keep your equipment cool in every situation. With the blue illumination added to the 5 fans, you'll stay cool in every sense of the word.

Peak Performance

The sturdy aluminium design of the stand fits every laptop up to 17.3". Even the biggest ones will stay cool, thanks to the stand's 5 fans. Keeping your laptop cool will result in the best possible

performance.

Finding Your Angle

The stand can be adjusted in 5 different steps, up to 190mm high. As a result, you will be able to find the perfect viewing height and angle. You won’t just stay cool, but you’ll have a better overview of your matches.

An Eye on your Phone

Worried that you’re going to get too absorbed in your game and miss that important phone notification? We’ve got you covered: the detachable phone stand allows you to place your phone in sight, ensuring that you won’t miss a thing.
