

Power Supply ENDORFY ATX PC 200 - 240 V 550 W EY7A016

Model: EY7A016

Manufacturer: ENDORFY

EAN: 5903018668925

Product Code: 407865

R1,589 R1,632

Vero L6 550 W

The Vero L6 550 W delivers the stability you can rely on every day. Built for high-performance and professional setups, it's fully compliant with the ATX 3.1 standard and easily handles next-gen PCIe 5.1 GPUs. Cybenetics Silver and 80 PLUS® Bronze certifications confirm excellent efficiency, while the Cybenetics Noise Rating A- proves quiet operation. Its optimized design and proven Stratus 120 mm fan ensure not only low temperatures but also silent and reliable performance.

Combined with premium-grade capacitors and a comprehensive protection package, the Vero L6 is a piece of hardware you can trust for years to come. Its quality and durability are backed by a 5-year warranty.

ATX 3.1 - ready for next-gen GPUs

The Vero L6 550 W is fully compliant with the ATX 3.1 requirements. Compared to previous ATX

versions, it offers improved performance, stability, and capacity for sudden power excursions. The fixed 12V-2x6 300 W cable ensures full compatibility with modern PCIe 5.1 cards, while traditional PCI-E 6+2 PIN connectors are also provided for powering older GPUs.

Quality confirmed by Cybenetics

Thanks to carefully selected components and a refined design, the Vero L6 550 W operates quietly and maintains low temperatures, contributing to a longer lifespan. Its high energy efficiency is confirmed by independent Cybenetics Silver and 80 PLUS® Bronze certifications. The unit has also undergone rigorous testing for acoustic performance and ATX 3.1 compliance – validated by the Cybenetics Noise Rating A- and Cybenetics ATX 3.1 Pass badges.

High-quality capacitors

All capacitors used in the power supply are premium, thoroughly tested components. They maintain their performance even at high operating temperatures (up to 105 °C), ensuring reliable and stable operation even under demanding conditions.

Proven Stratus 120 mm fan

Developed in collaboration with Synergy Cooling, the award-winning Stratus fan keeps the power supply running cool and efficient. Its optimized rotor and frame design, combined with a high-quality FDB bearing, delivers smooth airflow and whisper-quiet operation.

5-year warranty

We're confident about the quality and reliability of every ENDORFY product. That's why the Vero L6 550 W power supply comes with a 5-year warranty – a testament to its long-lasting, trouble-free performance.

Protection package

The unit features a full set of electrical and thermal safeguards. This means your system is protected against overloads, voltage spikes, short circuits, and power supply overheating – ensuring stability and safety even in the most unexpected situations.

- High-quality capacitors
- Proven Stratus 120 mm fan
- Protection package

Summary: ENDORFY Vero L6. Total power: 550 W, AC input voltage: 200 - 240 V, AC input frequency: 50 Hz. Motherboard power connector: 24-pin ATX, Motherboard power cable length: 57 cm, SATA power cable length: 500,800 mm. Purpose: PC, Power supply unit (PSU) form factor: ATX, 80 PLUS certification: 80 PLUS Bronze. Product colour: Black, Cooling type: Active, Fan diameter: 12 cm. Cables included: AC | Vendor Homepage: <https://endorfy.com/en/product/vero-l6-550-w/> | AC input frequency: 50 | AC input voltage: 200 - 240 | Combined power (+12V): 540 | Combined power (+3.3V): 100 | Combined power (+5V): 100 | Combined power (+5Vsb): 15 | Input current: 5 | Max output current (+12V): 45 | Max output current (+3.3V): 20 | Max output current (+5V): 20 | Max output current (+5Vsb): 3 | Power Factor Correction (PFC) type: Active | Power protection features: Over current/Over power/Over voltage/Overheating/Short circuit/Surge & inrush protection (SIP)/Under voltage | Total power: 550 | ATX Power connector (24-pin): Yes | Cabling type: Non-Modular | EPS power connector (4+4 pin): Yes | Motherboard power cable length: 570 | Motherboard power connector: 24-pin ATX | Number of SATA power connectors: 5 | PCI Express power connectors (6+2 pin): 2 | Peripheral (Molex) power cable length: 800 | Peripheral (Molex) power connectors (4-pin): 1 | SATA power cable length: 500/800 | 80 PLUS certification: 80 PLUS Bronze | ATX version: 3.1 | Bearing technology: FDB | Mean time between failures (MTBF): 80000 | Power supply unit (PSU) form factor: ATX | Purpose: PC | Cooling type: Active | Fan diameter: 120 | Illumination: No | Number of fans: 1 | On/off switch: Yes | Product colour: Black | Cables included: AC | Compliance certificates: CCC/CE/Federal Communications Commission (FCC)/RoHS/UKCA | Waste Electrical and Electronic Equipment (WEEE) compliance: Yes | Depth: 140 | Height: 87 | Weight: 1550 | Width: 150 | Manual: Yes | Package depth: 220 | Package height: 100 | Package weight: 2070 | Package width: 273 | Doesn't contain: Cadmium/Lead/Mercury | Warranty period: 5 | Units per Pallet: 0 | Units per Shipping Box: 1 | Unit Calculated Volume: 0.00594 | Unit Calculated Weight: 2.08
