

CLUB3D USB-C® Laptop Charger 140W

Model: CAC-1932

Manufacturer: CLUB3D

EAN: 8719214473792

Product Code: 408191

R1,258 ~~R1,480~~

Description:

- **GaN Technology Charger:** Uses GaN Technology to be more compact with a design that runs cooler than traditional chargers. Making it a pocket sized design while keeping the massive power.
- **Ultra-Fast 140W Charging:** Charge high end laptops at full speed with a power delivery of up to 140W, ensuring your workstation stays charged during high intensive tasks.
- **Sleek Design:** This high power charger is compact and sleek, saving desk space and slides easy into any laptop case or bag. Making it the perfect charger for travelling.
- **Pro-Grade Safety:** With safety functions like advanced heat management and smart overload protection it ensures that you can charge your devices without a worry.
