

NET SWITCH ACC POWER SUPPLY/24W PR3P2EU3 TELTONIKA

Model: PR3P2EU3

Manufacturer: TELTONIKA

EAN: 4779051840984

Product Code: 409134

R821

The **Teltonika PR3P2EU3** is a high-power industrial AC/DC adapter used primarily to provide power to specific high-performance Teltonika networking devices.

Because it provides **24W (12V, 2A)** of power, it is the standard power supply for devices that require more energy than basic industrial routers, such as those with dual LTE modems or high-speed 5G capabilities.

Main Compatible Devices

It is specifically designed for and used with the following Teltonika routers:

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
