

## XPG KYBER 850W Power Supply

Model: 75261263

Manufacturer: ADATA

EAN: 4711085942470

Product Code: 413330

## R2,448

### KYBER

#### Go for gold

XPG KYBER offers GOLD efficiency and adheres to Intel ATX 3.1 design guide specifications. With a 12V-2x6 connector available in the 750 and 850 watt models, it is an ideal PSU for most users.

#### Next-Gen Ready - ATX 3.1 COMPATIBLE

KYBER power supply units adhere to the Intel ATX 3.1 design guide specifications and offering a 12V-2x6 connector at 750 and 850 wattage category, KYBER can support the latest graphics cards, made specifically for those who require high graphic capability and performance.

#### Cybenetics LAMBDA / ETA Certified

XPG KYBER SERIES is certified by Cybenetics for its efficiency and noise level, scoring at the top of its category in both ETA and LAMBDA standards.

#### GOLD Certified Efficiency

itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

KYBER series power supply units 80 PLUS GOLD certified, achieving up to 91.40% (115V) efficiency at 50% load.

### **Intelligent Fan-Curve Design**

The intelligent fan-curve ensures quiet operation in a majority of user scenarios. By starting the fan control at a low RPM, achieving less noise and a much longer lifespan for both the fan and the overall PSU.

### **PEAK PERFORMANCE AND RELIABILITY**

All XPG ATX 3.0 and ATX 3.1 power supplies are designed to support up to 235% power excursion, enabling the system to handle sudden power spikes, ensuring stability, and preventing crashes during intense workloads like gaming, rendering, and data processing.
