R1,758

The Ariete Vintage milk frother is the new generation milk frother that mixes your favourite hot and cold beverages: a single button to heat up and froth. Milk frother and hot drink mixer, but also a mixer for cold drinks such as iced coffees, milkshakes, foamed milk, etc. The cappuccino whisk froths up to 140 ml of milk and the stick whisk mixes up to 250 ml of liquids. The spout is ideal for easily pouring the contents. The non-stick interior coating is easy to clean with a simple sponge, ready for making a new drink. Ariete makes iconic and functional products: the Vintage Line combines Italian
