R3,476

Efficient and versatile, this home and office multi-functional printer boasts high yield ink bottles for low cost, high quality document and photo printing, copying and scanning and the reliability to handle high page volumes with ease.

Incredible page yields

Experience highly cost effective and productive printing with high yields* of up to 6000 pages from a black ink bottle or up to 7000 pages using a single set of colour bottles.

High quality prints

Print in high quality using Canon's FINE technology and hybrid ink system with pigment black for sharp documents and dye-based colours for vivid borderless photos up to A4.

Compact, reliable multifunctional

This compact All-in-One with print, copy and scan handles large print volumes with ease thanks to its
