R1,425

Product information "Speaker cable, 2 x 2 banana plug, nylon, black, 3m"

LogiLink's speaker cable with gold-plated contacts provides excellent connectivity and a clear audio. Its soldered banana plugs terminations offer a secure connection with your speaker‘s terminal and are marked with a color code ring for an easy polarity identification. The gold-plated contacts and the pure copper cables ensure maximum transmission quality.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
