

LogiLink CA1212 wire connector Banana Grey

Model: CA1212

Manufacturer: LOGILINK

EAN: 4052792054293

Product Code: 414961

R746

Product information "Audio Banana-plugs for self assembling (4 pcs.), metal, grey" from LogiLink

The LogiLink banana plugs are ideal to assemble speaker cable with a diameter of up to 4 mm². You can decide for yourself how long the speaker cables need to be and add at the end the plugs at the preferred length. The dual screw design ensures a secure hold, while the gold-plated plugs provide an optimum connection and a clear audio transmission.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
