R812

Patch cable Econline, Cat.6, F/UTP, grey, 15 m" from LogiLink Professional

LogiLink's Cat.6 economic patch cables deliver up to fast 1 Gigabit data network performance. Our EconLine Cat.6 Ethernet Patch Cable has strain relief boot and molded ends with a snagless boot design to make easy and secure connections. We carry Cat.6 patch cables in many different colors and lengths. For areas of high electromagnetic interference (EMI), it is equipped with high-quality braid shielding. That makes this Cat.6 patch cable flexible for easy installation.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
