Versatile and professional USB-C to USB-C connecting cable with an integrated adapter for easy connection to devices equipped with the USB 3.0 port.

When connecting USB-C to USB-C, this cable supports:
- laptop / tablet charging up to 100 W
- video transmission up to 4K / 60 Hz
- data transfer up to 10 Gbps (USB-C 3.1 Gen.2)

If the cable is connected to a device with a USB 3.0 port, it will allow a connection with data rates of up to 5 Gbps.

The cable heads are made of aluminium and the cable itself is made of a special knitted material; this design ensures high flexibility, durability and long cable life.
