Product information "Mousepad, 220 x 250 mm, blue" from LogiLink

LogiLink's adaptable mousepad combines high speed, acceleration and sharp responsiveness with precise control and comfort. It is compatible with all mouse types (ball, optical, laser). The highly adhesive underside provides optimal grip. With a material thickness of only 3 mm and a surface of nylon fabric, the mouse pad is particularly slim.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
