ICY BOX 11-in-1 via USB Type-C

Model: IB-DK2106a-CPD

Manufacturer: ICY BOX

EAN: 4250078174790

Product Code: 416393

R1,907

More Options

DockingStations not only offer users a way to quickly transition from one working environment to another via a single cable, but they can also add additional functionality and capabilities to notebook designs that are increasingly slim and with limited interface option.

USB Type-C®

The Type-C® connection offers incredible versatility. It combines data transmission, video output, and power in a single, compact port. The integration of USB Type-C® makes the connection even more practical, as it has a twist-proof connection as its physical feature - making it a truly universal connection.

Easy connection - multiple benefits

Perfectly combines a high-quality appearance and efficient technology with a very compact size. The premium aluminum DockingStation does not only look good but also offers high comfort while using. This solution is suited for any location such as private or office areas.
