

Cudy PE25 network card Internal Ethernet 2500 Mbit/s

Model: PE25

Manufacturer: CUDY

EAN: 6971690791483

Product Code: 416710

R790

Blazing 2.5G Networking for Peak Performance

Experience ultra-fast 2.5G speeds for seamless downloads, server hosting, and smooth media editing on NAS. PE25 supports auto-negotiation across 10/100/1000/2.5G, delivering reliable, high-performance connectivity for demanding tasks.

Upgrade in One Step to 2.5G Lightning-Fast Network

Requires a PCI-E x4/x8/x16 Slot

Saves Power Automatically

EEE (Energy-Efficient Energy) feature automatically set adapter into a low-power idle state when there is little or no data traffic.

Flow Control

Prevents packet loss and data drops when transmission rates reach 2.5 Gbps, crucial for maintaining reliability in server operations and surveillance systems.

Wake on LAN

Allows user to wake up their PC or server remotely via network with Wake on LAN.

Standard/Low-Profile Bracket

Suitable for standard towered PC, low-profile server, and rack-mounted server installation.
