

Battery charger Li-ion XTAR MC6C

Model: MC6C

Manufacturer: XTAR

EAN: 6952918301202

Product Code: 418516

R844

Type: Indoor battery charger | Overload protection: Yes | Number of batteries supported: 6 |
Warnings: Avoid contact with water and moisture. | Warnings: Do not disassemble the charger
yourself. | Number of battery cells: 6 | Width: 111 mm | Input voltage: 5 V | Input voltage: 5 V |
Compatible battery sizes: 18650, 14500, 10440, 26650, 25500, 18500, 17650, 18350, 18490, 21700,
16340(RCR123), 17500, 17670, 14650, 16500, 16650, 17350, 22500, 22650, 26500, 18700, 20700,
17700, 26700, AA, AAA, AAAA, D (R20), | Warnings: Use only with suitable batteries. | Short circuit
protection: Yes | Thermal protection: Yes | Depth: 148 mm | Height: 34 mm | Suitable for: Household
battery | Product colour: Black | Faucet included: No
