

Dahua Technology NVR1104HS-W- S2-CE 1U Black

Model: NVR1104HS-W-S2-CE

Manufacturer: DAHUA

EAN: 6923172542984

Product Code: 418804

R2,120

With its embedded Wi-Fi module, Dahua's Lite Series Wireless Recorder supports the AP function, and automatically detects and connects with Dahua wireless cameras. It has two antennas that together produce strong wireless signals, and has IEEE 802.11 b/g/n (2.4G Hz) Wi-Fi which allows it to cover a wider area. This NVR also supports the access of IP cameras, making installation more convenient. Without the limitation of network cables, the wireless recorder combined with the Dahua wireless camera provides a great solution for SMB surveillance systems, making this NVR ideal for a wide range of applications including home safety, cafes, supermarkets, retail, education and more industries.

New User Interface

Highly user friendly, the new web interface and GUI have a minimalist flat design, that makes navigating the system much easier. The functional modules have also been arranged to be clearer and easier to understand.

Automatic Wireless Pairing

In just 120 seconds, the wireless NVR automatically pairs with the wireless IPC after the system starts up, allowing you to work faster and more efficiently.

Wireless Cascading

The wireless NVR automatically cascades IPCs for long-distance surveillance.
