

## Solar panel Reolink 2 white 5.8W

Model: SolarPanel2

Manufacturer: REOLINK

EAN: 6975253985388

Product Code: 418865

# R1,178

Maximum system voltage: 1000 V | Short circuit current - ISC (STC) (A): 6.61 A | Configuration: 36 cells | Operating temperature (T-T): -40 - 85 °C | Temperature coefficient of Isc: +0.04 % | Frame colour: Silver | Front coating: Tempered glass | Weight: 8 kg | Speaker dimensions (WxDxH): 1015 x 668 x 30 mm | Cables: Length 900mm | Cables: MC4 | Temperature coefficient of Voc: -0.35 % | Power tolerance: 0~+3 % | Maximum input power: 115 W | Rated power (Pmpp) STC: 115 W | Open circuit voltage (Voc) STC: 23.32 V | MPP temperature coefficient : -0.45 % | Frame: Anodized aluminium | Cell: Monocrystalline | Maximum voltage (Vmpp) STC : 19 V | Rated current (Impp) STC: 6.04 A

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
