

TP-Link Outdoor Pan/Tilt Security Wi-Fi Camera

Model: Tapo C560WS

Manufacturer: TP-LINK

EAN: 1210002602679

Product Code: 418899

R2,426

4K: Unmatched Clarity, Extended Range

Tapo 4K cameras deliver sharper, more detailed live views, making them perfect for capturing finer details like license plates, human faces and moving objects.

Zoom In, See More

Equipped with 18x digital zoom and an F1.6 aperture, Tapo C560WS captures sharper details and high-quality recordings to enable precise detection with the ability to magnify images for remarkable clarity.

Accurate Facial Recognition, Easy Identification, Local AI Processing

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

The camera boasts free and powerful AI that recognizes and tags strangers, family, and friends for easy identification, reducing overall notifications to the ones that matter. All facial data is processed locally without cloud uploads, ensuring privacy and security.

Upgraded Panoramic Patrol Mode

Set a custom schedule for the camera to automatically scan a full 360° and record or define specific viewpoints that it will visit at designated times.

Vibrant & Detailed Night Vision

Capture colorful details even in darkness with spotlights and a starlight sensor. Tapo C560WS also offers a stealthy IR black and white mode and a smart mode that automatically switches to color when a person is detected.

Wi-Fi 6 Dual-Band Connectivity: Faster & More Flexible

Connect the camera to a Wi-Fi 6 router and enjoy improved speed, greater stability, and reduced congestion in heavy bandwidth scenarios.The 5 GHz connection△ offers faster speed, while 2.4 GHz provides longer distance. Ethernet networking is also supported.

Solid Defense System with Custom Alarms

Ward off intruders with sound and light alarms you can personalize: record custom audio and set your preferred spotlight brightness.
