Capture Every Detail, Day and Night

With 3K resolution, Tapo C530WS offers enhanced video quality better than 1080P.

Enjoy colorful images in low-light conditions at night with built-in spotlights and a starlight sensor. With smart mode, the live view turns from black and white to color after detecting person.

AI Detection for More Relevant Notifications

Smart AI accurately identifies people, pets, and vehicles and detects tampering and line crossing. It sends instant notifications when specific objects are detected, ensuring you receive timely and precise alerts.

Long-Range Uninterrupted Connectivity

Dual high-performance external antennas extend wireless coverage up to 492 ft in open areas. You can also connect your camera to the network through the Ethernet port for a stable connection.

Designed to Withstand Extreme Conditions

With IP66 weatherproofing, Tapo C530WS offers excellent waterproof and dustproof performance for outdoor scenarios. It works well in rain, dust, and heat, operating reliably in different environments.

Custom Sound and Light Alarm

Customize your own audio alarm to frighten away unwanted visitors. Adjust two built-in spotlights for fine-tuned illumination.

24/7 Secure Local & Cloud Storage

Save crucial moments to a microSD card† (up to 512 GB) or subscribe to Tapo Care for cloud storage‡ after a 30-day free trial, ensuring you never lose important footage.

Multiple Installation Options

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. Use the mounting screws, template, and loops△ to install on any wall, ceiling, or pole for the perfect view—wherever you want.

Customizable Activity Zone

Customize detection zones to receive alerts for your most important areas.

Two-Way Audio

Communicate directly with the outdoors for your convenience.

Physical Privacy Mode

Maintains your privacy with the lens physically blocked by the housing.
