4K Ultra HD

More Clarity, Finer Details

4K resolution has 4x the number of pixels compared to 1080p. This results in greater image clarity, finer details, and a sharper picture. Capture license plates, smaller objects, and more with 4K.

More Definition, Sharper Images

Utilizing an Edge Improvement algorithm, the Tapo C460 delivers crisper edges and finer details, from facial features to text and even plant textures.

Accurately Identify with Starlight Color Night Vision

With a highly sensitive starlight sensor and integrated spotlights, enjoy full-color night vision. Enhanced colors offer improved context and detail for quicker, more accurate observations.

Go Magnetic – Installs Almost Anywhere!

This battery-powered Wi-Fi camera provides 100% wire-free installation.
Use the magnetic base to lock on to any iron surface or mount it on the wall with wire-free versatility.

Enduring Power for Continuous Security

With its remarkable 10,000mAh built-in rechargeable battery,
Tapo C460 reduces the frequency of recharges, providing up to 200 days of uninterrupted performance on a single charge.
