R1,735

Worry-Free Security.

Wire-Free Simplicity.

Battery-Powered Outdoor Security Camera

Secure Your Outdoors, No Wires Attached.

Enjoy complete outdoor security without the constraints of wires. The Tapo C400 provides comprehensive surveillance, from deterring package theft and safeguarding vehicles to securing your backyard and monitoring all outdoor spaces, including gardens, pools, and garages.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Power That Lasts:

180-Day Battery*

Say goodbye to frequent recharging. With a powerful 5200mAh battery, enjoy up to 180 days of reliable security on a single charge.

Vivid Colors, Even at Night

Advanced color night vision technology captures clear, detailed footage in low-light environments without sacrificing image quality.

Features for Added Security and Convenience

Focus on What Matters:

Customize Activity Zones

Eliminate unnecessary alerts and receive notifications only for the areas you choose to monitor. Create custom activity zones to pinpoint specific areas, like your front door or driveway, ensuring you're only alerted to relevant activity.

Maintain Privacy:

Define Hidden Zones

Protect your personal space by creating custom privacy zones. Exclude sensitive areas from recordings and live views, giving you complete control over what is captured.

Personalize Your Alarm

Create a completely custom sound and light alarm. Adjust the spotlight brightness to illuminate your property and record custom audio messages to warn off potential intruders.

1080p Clarity: See Every Detail

Enhance your home security with crystal-clear 1080p live view.
Identify faces, license plates, and other crucial details with exceptional precision.

Flexible Storage Solutions

Choose between locally storing footage on a microSD card or via the cloud with a Tapo Care subscription.

Year-Round Weather Protection

Built to last, the IP65 weatherproof design protects your camera from the elements, ensuring reliable performance year-round.

Pair with Smart Assistants

Includes seamless integration with Amazon Alexa, Google Assistant, and Samsung SmartThings. View live streams on your Echo Show or Chromecast.

Two-Way Audio

Engage in seamless real-time conversations with anyone within the camera's view thanks to integrated microphone and speakers.

No Hub Required

Simplify setup by connecting directly to your Wi-Fi network, eliminating the need for a hub.
