All-in-One Sun-Powered Surveillance

Enhanced AI Solar Security Camera Ultra

4K Ultimate View, Sharper and Farther

4K UHD delivers sharper and more detailed live footage, perfect for capturing finer details like license plates, lush lawns, and moving pets.

Powerful Night Vision: From Vivid Color to Clear IR

A powerful starlight sensor captures vibrant images in low-light, while 850nm IR ensures clear vision in pitch-black areas like your backyard or driveway.

135° Field of View

Monitor large areas of your home without needing multiple cameras. See more of your yard or driveway to provide a complete picture of your property.

Built-In AI Powers Smarter Alerts with Zero Fees

Local AI accurately identifies people, pets, and vehicles near instantly, sending you only essential real-time notifications while keeping your sensitive data off the cloud.

24/7 Capture

Always On, Always Monitoring

Ditch battery limitations and experience 24/7 continuous capture. With automatic capture intervals, every crucial moment is recorded, ensuring nothing goes unnoticed.

Dual-Band Connectivity: 5GHz or 2.4GHz Band

Connect to the faster 5 GHz band for smoother, lag-free 4K live views, or choose the 2.4 GHz band for longer distance coverage.

Fully Customize Your Security

Tapo control of your privacy by defining customizable privacy zones. This feature allows you to specifically block recording in designated areas within the camera’s view, ensuring sensitive personal spaces remain completely unmonitored and private.

Secure Your Camera & Recordings with Built-in Tamper Detection

Tapo C465's anti-tamper cord and built-in alarm keeps your camera secure. If an intruder attempts to swipe your camera, the anti-tamper cord will ensure it remains in place while a loud siren sounds to alert you.
