Model: 960-001746

Manufacturer: LOGITECH

EAN: 5099206129962

Product Code: 421427

R4,131

The Logitech BRIO 4K webcam is designed to enhance video communication with clarity and detail. Featuring a 13,000,000 pixel optical sensor, this webcam provides video resolution options, including 720p, 1080p, and 4K, ensuring you look impressive in every frame. The automatic focus adjustment and glass lens contribute to vibrant images, while RightLight 3 technology optimizes lighting environments for clearer visuals, even in low light conditions.

With a wired USB-C connection and an included 1.5 m USB-A to USB-C cable, setup is simple and versatile. The webcam also boasts built-in dual omni-directional microphones that provide audio support with up to a 1.2 m pick-up range. Certified for use with Zoom, the Logitech BRIO 4K enables smooth streaming, making it an ideal choice for professional meetings, webinars, or casual video chats.
