Experience high-quality audio and video with the Gembird Cablexpert Select Plus Series HDMI cable. This 3-meter shielded cable features a durable nylon jacket and is designed to support 4K resolutions at a 60 Hz refresh rate, providing clarity for all your viewing needs. The technology of this cable ensures compatibility with x.v.Color (xvYCC) and 16-bit deep color, enhancing your entertainment experience with vibrant colors and crisp details.

The male-to-male 19-pin HDMI connectors offer a secure connection, while the gold-plated connectors help prevent corrosion and signal loss. This high-speed HDMI cable also includes an HDMI Ethernet Channel (HEC), Audio Return Channel (ARC), and supports formats such as Dolby TrueHD and DTS-HD Master Audio. Enjoy seamless streaming and connectivity with devices that require 3D transmission, making it an ideal choice for any home theater setup.
