

GEMBIRD DisplayPort cable 4K 1.8m white

Model: CC-DP2-6-W

Manufacturer: GEMBIRD

EAN: 8716309129343

Product Code: 421467

R587

Experience visual clarity and seamless audio with the Gembird Cablexpert DisplayPort cable. Designed for those who demand high-quality connectivity, this cable boasts a 17.28 Gbps data rate and supports 4K60Hz UHD resolution, ensuring your video content is displayed in stunning detail. With the capability to transmit 3D video and up to 8 audio channels, it offers an immersive viewing and listening experience, perfect for gaming, watching movies, or delivering impactful presentations. The latched connectors on both ends of the cable provide a secure and stable connection, eliminating worries about accidental disconnections. Moreover, this cable meets a variety of compliance standards, including DisplayPort 1.2 and HDCP 1.3, ensuring compatibility and safe operation across a wide range of devices. Whether for professional or personal use, the Gembird Cablexpert DisplayPort cable is a reliable choice for enhancing your multimedia setup.
