

GEMBIRD MA-WA1-01 Adjustable wall display mounting arm up to 27/7 kg

Model: MA-WA1-01

Manufacturer: GEMBIRD

EAN: 8716309106887

Product Code: 421474

R968

The Gembird MA-WA1-01 is a versatile mounting kit designed to enhance workspace efficiency and improve viewing comfort. Featuring an adjustable arm, this kit is suited for LCD displays sized between 17 and 27 inches, accommodating various viewing preferences. The sturdy construction incorporates a combination of plastic, aluminum, and steel, ensuring long-lasting durability. With a sleek powder-coated finish, it complements any modern home or office decor.

This wall-mountable solution offers adjustment capabilities, including tilt from -45° to 90°, swivel from -90° to 90°, and rotation, allowing for optimal screen positioning. The integrated cable management system helps keep wires organized and out of sight, maintaining a clean and tidy appearance. With an ergonomic design that supports both landscape and portrait orientations, the Gembird MA-WA1-01 is a choice for a functional workstation setup.
