

GEMBIRD EE2-U2S-5 HDD/SSD enclosure for 2.5 SATA - USB 2.0 Aluminium Black

Model: EE2-U2S-5

Manufacturer: GEMBIRD

EAN: 8716309083089

Product Code: 421500

R636

The Gembird EE2-U2S-5 is a versatile storage enclosure designed for seamless connectivity and effective data storage. With its external mini-USB to USB interface, it provides a reliable solution for connecting and powering your 2.5" hard drives. The enclosure, crafted from durable aluminum, ensures that your drives are well-protected while maintaining optimal performance. Measuring 60 cm in length, it offers the flexibility needed to organize your workspace efficiently. Designed for compatibility with Mac systems, this external storage enclosure supports USB 2.0 connectivity, making it an ideal choice for those needing to transfer data easily and effectively. The Gembird EE2-U2S-5 can accommodate one internal hard drive, providing practicality and efficiency for users seeking additional storage options without compromising on functionality.

Product Description: Gembird EE2-U2S-5 - storage enclosure - SATA 3Gb/s - USB 2.0 | Device Type: Storage enclosure - external | Bus Type: USB 2.0 | Expansion Bays: 1 x internal - 2.5" | Hard Drive
