

GEMBIRD EE2280-U3C-03 USB 3.1 enclosure for M.2 NVMe drives backlighted aluminum

Model: EE2280-U3C-03

Manufacturer: GEMBIRD

EAN: 8716309122856

Product Code: 421506

R968

The Gembird EE2280-U3C-03 storage enclosure offers a versatile and efficient solution for your M.2 storage needs. Featuring a USB-C to USB-A cable and a USB-C to USB-C cable, this enclosure allows seamless data transfer and connectivity options. It supports various M.2 form factors including 2230, 2242, 2260, and 2280, making it adaptable to multiple SSD types. The aluminum construction provides durability and ensures effective heat dissipation during operation. With RGB LEDs, this enclosure adds a stylish touch to any setup while maintaining functionality. Utilizing a USB 3.1 (Gen 2) interface, it delivers data transfer speeds of up to 10 Gbit/s. The Gembird EE2280-U3C-03 is designed for ease of use, powered directly by the USB bus, eliminating the need for external power sources. This product is compliant with various standards including ISO 9002, RoHS, and WEEE,
