Product Code: 421567

R1,538

Kingston's high endurance microSD Card is built to withstand write-intensive applications such as home security & surveillance cameras, dash cams and body cams. With up to 20,000 hours of seamless recording and playback in Full HD 1080p, it is guaranteed to capture critical recordings when you need it the most. The microSD card is engineered and tested for use in harsh conditions and is durable enough to protect itself from extreme temperatures, shock, water and x-rays.
